## Items Needed for Class

- Class Attire:** We request student's attire be casual professional or medical (scrubs) and that students wear comfortable close-toe shoes.
- Camera:** Students are required to begin cataloging before and after pictures (preferably with a camera with a macro setting for close up shots). Ipad, iPhone or a regular camera are good for this purpose.
- Notebook & Pen:** You will want to take notes when class lectures begin.
- SPCP Book & Student Handbook:** You will be required to bring your book and manual to every class including procedure days.
- Cooperation:** In most cases and because this is a year apprenticeship (1 year) and does not require an attendance of consecutive full time hours, everyone will be expected to cooperate with mandatory in class study hours. Hours may vary but will be announced in ample time if a reschedule is necessary. Missed hours can and will delay Certificates at the end of the course if they are not made up. Reschedule dates will only be at the instructors discretion. Additional funds may be applicable for additional time over the apprenticeship year.
- Lunch & Breaks:** You will be required to furnish your own food and drinks for all breaks and lunch. Lunch is 45 minutes so it is recommended to bring a lunch. Only water will be provided. No friends or relatives other than clients will be allowed in the training area. No loitering of anyone who is not scheduled to be on the premises.
